TWO FREE LEAD TESTING AND REMOVAL PROGRAMS FOR OWNERS AND RENTERS

These two **Lead Hazard Control Programs** will remove lead-based paint hazards from rental and owner-occupied homes of families with low-incomes with children under the age of six or homes with pregnant women. You can also qualify if a young child doesn't live with you but spends at least 60 hours/year in your home. These two programs are similar except the income guidelines may sometimes be different. See below for details.

IF YOU DON'T QUALIFY FOR ONE OF THE LEAD-REMOVAL PROGRAMS, THE FOLLOWING FOUR PROGRAMS MAY HELP YOU GET THE LEAD OUT OF YOUR HOME.

This **Free Weatherization Program** for owners and renters is not specifically for removing lead hazards in homes, but the program can remove old windows with deteriorating lead-based paint, which are a major lead hazard. The program helps to reduce household energy costs through heater system repair, weather stripping and caulking, window repair or replacement and other services. See the income guidelines below.
