### **Join the Gaming Leader Team**

PCCY is hosting a gaming event on Saturday, October 6, 2018 for children from across the Greater Philadelphia region. **Gaming Leaders** will guide children in the fun scripted build challenges, help explore the world of Minecraft, and enable children to collaboratively build the world they want to see. Each **Gaming Leader** will work with children in classrooms.

We especially need **Gaming Leaders** who have a decent understanding of Minecraft. In addition to being experienced in building in Minecraft, Gaming Leaders must be outgoing and interested in working with children to encourage them to be creative and collaborative. (**Gaming Leaders** will be supported by two or three Tech Advisor Team members.)
