Join the Tech Advisor Team

PCCY is hosting a gaming event on Saturday, October 6, 2018 for children from across the Greater Philadelphia region. **Tech Advisors** will work in pairs to ensure children have a positive gaming experience by providing technical support to gaming groups of students. **Tech Advisors** will help children who are having trouble making Wi-Fi connections or are confused by the processes of signing on to the gaming server. We've found that some children may need assistance from the **Tech Advisors** to learn how to set up their device in a location other than home. **Tech Advisors** must have a have a good understanding of personal computers and some experience with gaming, specifically Minecraft, is a plus but not necessary. **Tech Advisors** must be patient and enjoy working with children.
