### **Join the Tech Loader Team**

PCCY is hosting a gaming event on Saturday, October 6, 2018 for children from across the Greater Philadelphia region. **Tech Loaders** will prepare donated computers before the event begins so that our devices are ready to be used for gaming. PCCY wants to be sure no child is excluded because they don't have a device they can bring with them.

Ideal **Tech Loaders** would be familiar with downloading and installing software on personal computers and mobile devices and configuring computers to locate a specified Wi-Fi access point, a unique server address and make them game ready for the STEMCraft gamers.
