

Your attendance is critical at a City Council hearing to protect babies from lead poisoning in all rental housing!

TUESDAY, MARCH 19 @ 10AM
PHILADELPHIA CITY HALL
COUNCIL CHAMBERS, 4TH FLOOR

- ▶ ▶ ▶ Can you bring at least 5 co-workers, students, neighbors and/or friends with you? *We need to fill council chambers to show members their constituents need them to step up for kids!*
- ▶ ▶ ▶ Let us know if you/your group is coming. Contact Colleen McCauley at PCCY/Lead Free Philly Coalition at colleenm@pccy.org or call 215-563-5848 x33
- ▶ ▶ ▶ For more information check out PCCY's report at www.pccy.org/leaddisclosurelaw

- More than 2,200 Philadelphia children are poisoned by lead every year.

- Most children are poisoned in rental properties by lead-based paint.

- Too many landlords are not complying with the city's lead law which has turned out to be largely unenforceable.

- At the hearing, members of City Council's health committee will hear testimony about a new bill to make the lead law enforceable and help protect our city's children from lead hazards.
