

IS YOUR CHILD INSURED BY CHIP?

Are you out of work or had your work hours cut?

CHIP coverage will automatically continue through the emergency regardless of a parent's ability to make monthly payments.

If your income has not changed and you are currently billed monthly for CHIP, you will be required to pay that bill now or once the crisis is over.

To see if you qualify for a lower cost or free CHIP option, **TAKE THESE THREE STEPS NOW:**

1

Call the 1-800 number on the back of your child's insurance card and tell your insurer that your income has been reduced.

2

You will be asked to write a letter about your change in income.

3

You can email, fax or put the letter in the mail to your plan.
