

Did you know lead poisoning can cause permanent brain damage to children - especially babies and children under six?

Is Your Baby Protected from Toxic Lead in Your Apartment or Rental Home?

Learn about the New Philly Lead Law!

Especially if you live in zip codes:

19102, 19104, 19119, 19120, 19121, 19122, 19124, 19126, 19127, 19131, 19132, 19133, 19134, 19137, 19138, 19139, 19140, 19141, 19142, 19143, 19144, 19151

Call 215-298-2027 or sign up [here](#) for a FREE INFORMATION SESSION from the Philadelphia Department of Public Health

Who is the session for?

Parents, tenants, organizations that work with parents such as CDCs, social service organizations, health care centers, childcare providers and landlords.

What will I learn?

What is lead poisoning? How do children get poisoned from paint in their older homes? How does the City's [new lead rule](#) help? What is expected of landlords? What can tenants do?

How do I schedule a session?

Call 215-298-2027 or [fill out this form](#) to schedule a 30-minute session for your next virtual community meeting, staff meeting or meeting with local landlords.

Questions? Contact Colleen McCauley at 215-298-2027 or colleenm@pccy.org.

PCCY's Lead Free Philly Coalition is working in partnership with the Philadelphia Department of Public Health to coordinate these sessions.
