### Cyber charter costs up an estimated \$144,000 in Lower Moreland Township School District intensifying pressure on property taxes

**Cyber charter costs are growing rapidly.**

Before the pandemic, 8 students living in the Lower Moreland Township School District were enrolled in cyber charters. Last year cyber enrollment surged by 59% statewide, which translates to a projected 13 District students in cyber charter schools.

Because of sharply higher cyber enrollment, **cyber tuition costs in Lower Moreland Township jumped by an estimated \$144,000 since 2020, a shocking 53% increase** paid for by taxpayers in the district.

Rising cyber enrollment inevitably intensifies pressure on local property taxes. **The \$144,000 hike in cyber tuition payments is the equivalent of a 0.2% increase in property taxes in the Lower Moreland Township School District.**

**The current system of setting charter school tuition rates is broken.** Lower Moreland Township currently pays cybers \$33,914 for every special education student and \$15,346 for other students. That is significantly more than the actual costs of providing an online education and is a boon to cyber charter operators.

**HB 272 and SB 27 will save local taxpayers \$137,429 by bringing charter school tuition more in line with actual costs.** The bill standardizes cyber charter tuition at \$9,500 and requires charter schools to use the same criteria as every other public school to calculate special education tuition.

HB272/SB 27 Reforms	Savings
Standardize cyber tuition at \$9,500	\$136,598
Special Education Tuition Reform	\$831
<b>Total Savings</b>	<b>\$137,429</b>
