

Demand for PHLpreK District 3

What is PHLpreK?

PHLpreK is a free, quality pre-k program offered by the City of Philadelphia to any child who is 3 or 4 years old. In District 3, up to 490 children can attend PHLpreK through 26 providers.

The program is offered to 4,300 children through 179 early childhood education providers city-wide; 92% of all seats were filled (3,950 children) in 2022-23.

The City of Philadelphia needs to add an additional 750 seats more than the mayor has proposed to PHLpreK, enabling a total of 6,000 young children to have the lifetime benefits of the city's model pre-k program.

Who Qualifies?

Available to all income levels, PHLpreK offers families who would otherwise be unable to afford pre-k the ability to enroll their children in a quality pre-k program. Children who receive an early childhood education are better prepared to learn and develop vital social-emotional skills by the time they start school.
