About our 2025 Honoree: Governor Josh Shapiro

Governor Shapiro has been a fierce advocate for children in Pennsylvania from day one. As a state lawmaker he put education at the center of the conversation. As Attorney General he launched a groundbreaking investigation and held child abusers accountable.

As the 48th Governor of Pennsylvania he is delivering for our kids to give every child in Pennsylvania the freedom to chart their own course and the opportunity to succeed.

About Children First

Children First is the leading child advocacy organization in Pennsylvania improving the lives of children. We undertake focused projects in areas affecting the healthy growth and development of children, including child care, public education, child health, juvenile justice, and child welfare. Through thoughtful and informed advocacy, community education, targeted service projects, and budget analysis, we watch out and speak out for children and families.
